

Testimonials about Inchley and The Allstars Band

Claridges, Mayfair

"It was a great pleasure to work with Inchley and The Allstars on Saturday night. Not only were you highly professional and organised throughout the event, but also, most importantly, you were a great band, who had the dance-floor packed from the beginning of the evening until the end.

Hopefully we'll work together again soon!"

Lady Elizabeth Anson (the Queen's Cousin)

"I simply don't think I could ever thank you enough for all you did... I don't think I've ever seen a dance floor so full with both young and old so much of the time! "The young" clearly loved the band and could have listened to you and kept dancing for hours longer I'm sure! I think many of us "grown ups" could have kept going too! Your music played such an important part in creating the amazing atmosphere there was in the marquee... it is something I'll always remember.

Thank you so much again for contributing in such a big way to such an important day, and I look forward to working with you in the future."

"Thank you so so much to you and all the guys for playing at our wedding. You honestly have no idea how much it meant to me and how wonderful it was to have you there. It would just not have been the same without you and I know that everyone agrees. All of the guests had an amazing time and loved you as I knew they would and you managed to keep the dancefloor full throughout the night ...it fitted so well with the style of the wedding as it really was a wedding that got everyone involved. I can never thank you enough for this and I hope that we will see you again soon and can buy you a few drinks."

"Thank you a million times for putting on such a brilliant performance at our wedding. The band surpassed all my expectations ...you all have real talent.

So many of our guests commented on how fantastic you were and how you made the evening really special. You managed to get literally everyone up and dancing, including a lady with a broken ankle and my most boring relative - nothing short of a miracle. "

"WOW!!!! The Allstars were amazing at our wedding!

I cannot tell you how much Annabella and I enjoyed it, let alone our guests, who simply did not leave the dance floor all night. I have been asked so many times who our band was. I have been told by so many people that you were the best band that they have ever seen at a wedding. Old and young alike were bouncing around throughout both sets.

You made the evening rock!"

"I just wanted to say thank you for being stupendous at our wedding ...for being a superb band for the occasion. Literally everybody we have spoken to says you were the best band they'd heard at a party. I will, of course, recommend you to anyone that asks and I think you successfully managed to sell yourselves to 200 people on the night!

Thanks"

"Dear Simon, very many thanks for an outstanding performance by everyone at our daughter's wedding. Your music was superb and you most certainly captured the mood that we all wanted for Charlotte and Richard. We are so fortunate that one of our other daughters Emma heard you a while ago at an event in London and suggested we contact you, a master stroke on her part. Please pass on all our thanks to everyone in the group for helping to make the wedding reception such an outstanding success, we have had so many comments and letters praising your group. Well done and our grateful thanks to you all. With my very best wishes for your continuing success."

"A very BIG thank you to all the band for making our wedding celebration one to remember. You were absolutely brilliant and truly the icing on the cake at our day. Even now some months after the wedding friends and family still talk about how good the band was, and how it made the day. Thank you ...not least for accommodating Ash and the best man's stage diving and air guitar session - which is still being talked about.

Many Thanks again!"
